class newsletter

Our Bible verse this month is "Give thanks to the Lord for he is good" (ps.106:1)

As we approach the holiday season, I wanted to take a moment to share how our class has been doing and the wonderful progress the students have made. Our past couple of months has been a time of growth, learning, and exploration!

In our Bible lessons, the children have been captivated by stories that highlight love, faith, and kindness. Through these stories, the children are not only gaining an understanding of important Biblical themes, but they are also learning how to apply kindness and compassion in their interactions with one another.

Academically, the students are thriving! We've introduced new letters of the alphabet, and many of the children are already recognizing letters, sounds, and some are even beginning to form simple words! Their curiosity and enthusiasm for learning are truly inspiring.

I'm incredibly proud of all the students and their progress, and I look forward to all the exciting things we will continue to learn and experience together as we move into the the holiday season!

The preschool is closed Monday the 11th for Veterans Day and we are also closed the week of Nov. 25th – 29th for Thanksgiving Break.

Happy Birthday this month to our Shepherd! (Nov. 6)

We will be collecting non-perishable food for our Share Ministry Pantry if you would like to donate
