November

CLASSROOM NEWS

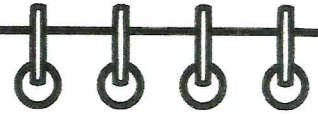

In October, we learned about letters Hh, Ii, Jj, and Kk. We talked about their sounds and words that start with those sounds. We learned number 7-10. We learned about circles, squares, triangles, & hexagon shapes. We learned a few sight words: on, and, a, I, am, in, out. We also are continuing to work on name writing. By now, your child should be able to write most of their name independently. In November, we will be working on more letters and sounds, shapes, patterns, sorting, measuring, and comparing objects. We continue to learn through play too. Thank you for reading with your child at home.
