

November in K2

What We Learned Last Month

It's November already, time flies by when you're having fun! In October, we learned about the letters Cc and Dd, Oval and Rectangle shapes, the colors Blue and Green, and learned to count to 5! We've danced, sang songs together at chapel, and created lots of spooky crafts. We will continue to learn 2 colors, numbers, letters, and shapes each month. In the month of November, we will focus on celebrating and thanking God for the gifts of the Fall season. We will talk about being thankful for all of the things that God provides in our lives, and that others may not have the same blessings. We will be collecting non-perishable food items for our Share Ministry Pantry if you would like to donate. This is a wonderful opportunity for students to learn about being generous and supporting their community. We are looking forward to an exciting month together!

Upcoming Events
